**CCRE Advisors Completes Investment Sale of
Dollar General – Tampa FL**

March 2015, El Dorado Hills, CA - Clark Commercial Realty Advisors represented the Buyer in the transaction; a private high net worth client from California.

Clark Commercial Realty Advisors, an investment services firm specializing in single tenant, multi-tenant retail and multi-family investment sales has completed the sale of a newly constructed, free standing 9,100sf building leased to Dollar General in an all cash transaction for \$2.2m. This was a relocation site after years of proven historical sales in the immediate trade area.

The building included a corporate guaranteed lease by Dollar General (NYSE: DG) on a 15 year, absolute net lease structure with consecutive options. Dollar General is an investment grade rated company with a Standard & Poor's rating of BBB- and is the largest discount retailer in the United States with over 11,000 neighborhood stores in 40 states and has in excess of \$18b in revenues and net income of over \$1b.

“Investors continue to seek well located properties on long term leases to investment grade companies like Dollar General offering higher yields than other sectors of the net lease investment market.” said Jeff Clark, CCIM and President of Clark Commercial Realty Advisors. He also added “In addition to the credit strength of Dollar General; the investment decision was supported by higher than average population density in the trade area, relocation of an existing store and new construction”.
